Tech O2 Pvt Ltd (February 24, 2021 - August 01, 2021)
Trainee Software Engineer

Worked on Reel MVP project, which helps our client to conduct online exams for their student. As I was recruited as a fronted developer I designed some major parts of the project i.e note-taking system for students, FlashCard, fixing some existing bugs in the project, creating forms, lazy Loading implementation in the notification module, and pagination.
